Every effort will be made to contact all persons involved in the decision making process.

Weekends/Other

During those times when the school system is not in session , including weekends, the Pastoral Staff of Friendship Baptist Church will use their best, prayerful, judgment in deciding church cancellations. However, if the snow emergency plan is put into effect, all services, meetings, and events are cancelled.

The only exceptions to this policy shall be weddings and funerals and fall under the discretion of the presiding member of the FBC pastoral staff.

In the event of a cancellation, the Pastoral Staff will use a phone recording, an email to the congregation and information will also be put on the church web site informing the congregation of the decision to cancel."

In any inclement weather, please use good judgment when deciding the participation of you and your family.
